

VANITIES
THAT REDEFINE YOUR SPACE.

GET TO KNOW US

Welcome to **TITA SANITARYWARES PVT LTD**, where we specialize in crafting exceptional sanitaryware that prioritizes quality and customer satisfaction. Our designs are meticulously developed to bring peace of mind and luxury to our customers.

At TITA, we transform bathrooms into elegant and comfortable sanctuaries. Each piece is handmade using advanced clay technology, blending style and functionality to enhance your personal space. Our latest collection features

We also offer advanced flush technology options, including siphonic, tornado with siphonic, rimless washdown, and washdown systems. Our products are stylish and built to stand the test of time, preserving their beauty and functionality for years to come.

TITA SANITARYWARES offers a diverse portfolio to meet every preference and need. With a strong international market presence, we are proud to be a global leader in sanitaryware, continually driving new innovations to serve our customers better.

Vision

To be the world's leading choice for handcrafted luxury bathroom experiences, exceeding customer expectations and shaping the future of bathroom design.

Mission

To empower individuals to elevate their lifestyles and redefine bathroom comfort through innovative, handcrafted luxury sanitaryware.

SOLID SURFACE BODY

The Tita product is constructed with a high-strength solid body, ensuring no gaps or empty areas inside it. This makes it very strong and long-lasting, giving it a solid, unified shape that improves performance and sturdiness overall. This makes it reliable and long-lasting.

VIBRANT COLORS AND FINISHES

Tita products are available in a wide range of vibrant colors, designs, and finishes, allowing for seamless integration into any interior design. Whether you prefer bold, eye-catching hues or subtle, sophisticated tones, Tita offers different options to match your style. The high-quality finishes enhance the visual appeal and ensure long-lasting beauty, making each product a statement piece in any room. With Tita, you can achieve a personalized, modern look that elevates the overall aesthetic of your space.

LONG-LASTING HINGES

The hinges are crafted with German dampers and S.S. 304-grade stainless steel, offering rust resistance and reliable strength. Featuring a soft-close mechanism with a two-step closure, these hinges guarantee smooth and silent operation with a life cycle tested for a minimum of 80,000 uses.

HIGH-PERFORMANCE SLIDER

The slides, constructed from high-grade G.I. (Galvanized Iron) material, provide effortless functionality and incorporate Quod Sol soft-close technology for enhanced usability.

STURDY LEGS

The sturdy legs are made from MS heavy-duty material, designed for robust support, and finished with a durable powder-coated layer for a sleek and polished look. These features combine to deliver a product that excels in both functionality and longevity.

RIGID MATERIAL

Tita products are crafted using rigid polymer material, a high-class, premium solution that guarantees durability and long-lasting performance. These materials are unbreakable, providing long-lasting strength to withstand daily use. This advanced material offers a solid surface and body, providing unmatched strength and stability. Engineered to be 100% waterproof and termite-proof, they resist moisture and humidity, making them ideal for any environment.

Its non-porous nature maintains a smooth finish, preventing moisture absorption and enhancing longevity. With its superior craftsmanship and premium composition, Tita products stand out for their robustness and aesthetic appeal, offering both style and functionality in every piece.

ABOUT SIZES AND SHAPES

Tita products are available in different sizes and shapes, including 600mm and 800mm, and can be used for floor and wall mounting. Additionally, Aenix products provide ample storage solutions to meet your needs while enhancing the overall style and organization of your space.

FEATURES

Tita products are engineered with a smooth, non-porous surface, they are incredibly easy to maintain and easy to clean. Tita products are reliable and durable. The scratch-resistant surface maintains its integrity even with everyday use, preventing visible damage and preserving its aesthetic appeal.

Tita products are designed for versatile applications, making them ideal for both residential and commercial spaces.
